Easter Special Offering

The development of Chinese pastors and trained lay leaders is important for the ongoing health of the church in China. Last year nearly 3,000 men and women graduated from various Bible training centers and seminaries. As part of our commitment to building the capacity of global partners, The Outreach Foundation has responded to requests from the Church in China for Chinese language resources to help them with preaching and practical ministry.

In partnership with Hong Kong based Christian Communications Limited we are providing mini- theological libraries to graduating pastors and lay leaders. Additionally we are helping to fuel their long term ministry by making it possible for them to receive discipleship materials for new believers.

We invite you to join us in prayer for Christians in China who are facing many challenges. However, hope persists and we have been invited to deeper partnership in multiple provinces. Celebrating this broader invitation, this Easter we invite you to give a gift of \$160 to sponsor one full mini-theological library and “Jesus Driven Ministry” discipleship materials for a pastor and church leader in remote areas where access to resources is extremely limited.

How To Give

Make a gift in one of four ways; drop a gift in the offering plate marked “Easter Special Offering”, send a check to The Outreach Foundation, make an online gift at www.theoutreachfoundation.org/give, or scan the QR code to make an instant gift.
