

Refugee Appeal *International*

ABOUT OUR PARTNERS

Whether fleeing from war, political upheaval, religious persecution, or natural disasters, many families leave their homes and everything they know in order to seek safety. More than 89 million people, with about 40% of those children, have been forcibly displaced from their homes, and more than 27 million of them are considered refugees, having fled their home country. We have partners in many difficult places who provide food and medicine, shelter, trauma counseling, job training, educational opportunities, discipleship training, and Bibles to these displaced persons who may not even have a home to which they can return.

THE IMPACT

A very small percentage of refugees or displaced persons are able to return home or to immigrate, and many remain in the places to which they fled, trying their best to cobble together a “new life” for themselves and their families. In the best scenarios, it is the Church that offers them compassion, service, and witness.

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the Refugee Appeal. All gifts of any size are welcomed to provide resources for partners who are bringing hope and healing in Christ’s name.
