

## China Partnership

### ABOUT OUR PARTNER

Recently, the government of China has been increasing pressure on Christians who were already facing many challenges in living out their faith. We hear that seminaries are still meeting, but with an alarming trend of government shutdowns in large cities. Some churches have been stripped of their religious symbols and are being used as cultural centers. We hear from our friends that they are continuing on. The church is finding ways to flourish even when it is in quiet ways.

and is now a cultural center*

Although communication is difficult at this time, we ask for prayers for our partners in China:

Continuing Education for Chinese Church Leaders

Mini-Libraries for Church Leaders

Theological Education Centers in Jiangsu

Theological Education in Shandong

### THE IMPACT

The Outreach Foundation is honored to stand with the church of China. Christians in China gather monthly through secure channels online. These meetings focus on a variety of life challenges and sharing, much as we might do in a small group setting. Additional gatherings focus on lectures and seminars around theological topics and practical ministry.

### THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the China Partnership. All gifts of any size are welcomed.
