

# April 2024

**HAITI OUTREACH MINISTRIES:** The Outreach Foundation’s ministry partner, Haiti Outreach Ministries (HOM), provides year-round food assistance to more than 1,400 students with nutritious, hot meals daily. While Haiti suffers from gang violence, some happy activities have recently taken place at HOM, including the “50/20” celebration honoring Pastor Leon (pictured here) and the Terre Noire church (Pastor Leon’s 50 years of ministry and the 20th anniversary of the Terre Noire church), and graduations from the HOM schools.
