

Nile Theological College *in Sudan and South Sudan*

ABOUT OUR PARTNER

Nile Theological College (NTC) equips men and women for effective ministry in Sudan and South Sudan by providing theological and practical training. Support from The Outreach Foundation helps provide scholarships for students to continue to study and make an impact in a country where there are areas the Gospel does not reach. PC(USA) mission co-workers Bob and Kristi Rice live in Juba, and Bob teaches a broad range of courses in theology and biblical studies at NTC.

THE IMPACT

Support provides scholarships for students to continue to study and make an impact by serving their congregations, denominations, and other organizations in Sudan and South Sudan.

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of Nile Theological College. All gifts of any size are welcomed to help provide scholarship support.
