

## **PCEA Mabati School Construction** *in Kenya*

### **ABOUT OUR PARTNER**

#### **The Presbyterian Church of East Africa (PCEA)**

The Presbyterian Church in East Africa (PCEA) and The Outreach Foundation are partnering with congregations to construct schools, often near and at the request of churches. The classrooms can be used for regular schooling, Sunday School, meetings, and feeding programs. The receiving congregation provides the land and the foundation for the building. After this is finished, The Outreach Foundation can help them complete the classrooms.

### **THE IMPACT**

This project helps congregations launch educational ministries that are the first step in helping children learn in a context of Christian love.

### **THE OPPORTUNITY**

The Outreach Foundation is seeking gifts to support the mission and ministry of PCEA Mabati School Construction in Kenya. All gifts of any size are welcomed to help provide school classrooms and equipment.
