

Persian Diaspora Partnerships

ABOUT OUR PARTNERS

In the spring of 2023, The Outreach Foundation officially launched Persian Diaspora Partnerships. This ecosystem of smaller ministries aligns well with our core values. Each one vibrantly, energetically, and sacrificially amplifies the Great Commission. They are trustworthy and there are many opportunities to learn from them as we engage in their ministries. One of these ministry partners is Safehouse, which shares the gospel through music, Bible study, counseling, and leadership training. Through social media, Safehouse openly shares about Jesus in countries where it is illegal to do so.

THE IMPACT

Already congregations and donors are involved and report to us how much these relationships are transforming their understanding of the church and how the Spirit is at work in this world. We see it as the fulfillment of God's promise in Isaiah 43:19. "Behold I am doing a new thing, now it springs forth. Can you not see it? I will make a way in the wilderness and rivers in the desert." We are humbled God has determined to call us into this work and we are excited to include you in it!

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support Persian Diaspora Partnerships. All gifts of any size are welcomed.
