Bethlehem Bible College *in Bethlehem, Palestine*

ABOUT OUR PARTNER

Bethlehem Bible College (BBC) equips Palestinian Christian leaders who are serving their local communities in the face of numerous political and social pressures. BBC is a Bible-centered, Christian institution committed to academic excellence and Christian formation, and seeks to offer support at every level of the student's educational journey. With a team of highly qualified local faculty and staff, BBC prepares students in the classroom, as well as in the community with programs such as the Shepherd Society, women's ministry, media outreach, a public library, ESL classes, and children's summer camps.

THE IMPACT

Bethlehem Bible College brings quality education and training to students who go through deep transformation for the purpose of encouraging others. The current expansion of the use of information technology is helping provide programs to the whole Arab world.

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of Bethlehem Bible College. All gifts of any size are welcomed to help provide scholarships for students.
