

CCAP Church and School Construction *in Zambia*

ABOUT OUR PARTNER

The Church of Central Africa Presbyterian (CCAP) Synod of Zambia

The Church of Central Africa Presbyterian (CCAP) Synod of Zambia is a dynamic church that has grown from 16 congregations in 1984 to 104 congregations and over 85,000 communicants. As the church grows, the need for more places to worship becomes critical, as well as training for additional pastors and evangelists. Several of the churches also host CCAP community schools. In addition to building churches and schools, the CCAP has been constructing a synod office complex to better accommodate the growing administration staff, departments, and church activities.

THE IMPACT

The construction of several churches has reached an advanced stage, but all still require funds to complete. Several CCAP congregations are also contributing to the well-being of communities by educating underserved children in their community schools.

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of CCAP Church and School Construction in Zambia. All gifts of any size are welcomed to help complete and furnish the churches and office buildings and build classrooms for community schools.
