# Iranians In Diaspora:

## London and Istanbul

April 15-25, 2016

After the 1979 Iranian revolution, millions of Iranians of all faiths fled the country for destinations around the globe. Today, Iranian emigration continues, with the United Kingdom and Turkey hosting large populations of Iranians. Further, since the revolution, more Iranians have become Christians than in the previous 1,400 years combined.

**The** Outreach Foundation invites you to join us for a unique vision trip to learn about the special ministry to Iranians.

Because we are not able to go to Iran to meet with Iranian Christians, we will travel to London and Istanbul, two cities with large Iranian Christian populations. There, we will meet fellow Christians from Iran. We will talk, learn, laugh, pray, worship, and eat with our new friends. We will learn how the Word is reaching all Iranians, even in difficult places. We will also experience Iranian culture at the British Museum in London, eat in Iranian restaurants in London and Istanbul, visit the Grand Bazaar and Souks in Istanbul, view the live taping of an Iranian Christian satellite TV program, and venture down to ancient Nicea from our base in Istanbul.

We will leave the United States on April 15 and be in London from the 16<sup>th</sup> through the 21<sup>st</sup>. Then we'll fly to Istanbul, where we will be from the 21<sup>st</sup> until we return on the 25<sup>th</sup>.
