

## Haiti Outreach Ministries *in Haiti*

### ABOUT OUR PARTNER

#### Haiti Outreach Ministries (HOM)

The Outreach Foundation's ministry partner, Haiti Outreach Ministries (HOM), provides year-round food assistance to more than 1,400 students with nutritious, hot meals daily. Construction at the Barye Fe secondary school has progressed, and the new classroom building with computer lab as well as the new kitchen should be ready soon for the new school year.

While Haiti still suffers from gang violence, some happy activities have recently taken place at HOM, including the "50/20" celebration honoring Pastor Leon (pictured here) and the Terre Noire church (Pastor Leon's 50 years of ministry and the 20<sup>th</sup> anniversary of the Terre Noire church), and graduations from the HOM schools.

### THE IMPACT

Essentials like clean water, rice and cooking oil, and medical procedures are provided to community members in the poorest section of Port-au-Prince through the church on the Cité Soleil campus. Student scholarships help cover the cost of uniforms, school supplies, and teacher salaries.

### THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of Haiti Outreach Ministries. All gifts of any size are welcomed to help provide scholarships for students and to support the community feeding program.
