

Home of Hope Beirut *in Lebanon*

ABOUT OUR PARTNER

Home of Hope in Beirut, a ministry of the Lebanese Evangelical Society, provides court-assigned, trauma-exposed children with basic needs, academic support, vocational training, social activities, psychosocial support, and medical support.

The children have been exposed to abuse and are brought to Home of Hope upon a judicial order and with a protection file. Counseling, psychotherapy, regular meals, schooling, and vocational training help them recover.

THE IMPACT

Home of Hope is a residential facility providing basic needs for the children, as well as academic skills and activities that teach them skills such as cooking, painting, theatre, music, and sports activities

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of Home of Hope Beirut. All gifts of any size are welcomed to help set up new workshops for skills development, provide food relief in the midst of Lebanon's unstable economy, and allow for small improvements to the old building currently occupied by Home of Hope.
