Matanzas Evangelical Theological Seminary *in Cuba*

ABOUT OUR PARTNER

The Matanzas Evangelical Theological Seminary provides high-level theological education for students preparing for full-time ministry in local congregations, including those of the Presbyterian Reformed Church in Cuba. As they respond to the needs of congregations, they develop programs in Christian education, lay leadership training, pastoral care in prisons, and even specialized training for ministry to the hearing-impaired and disabled. The seminary serves the community as well, offering clean water and produce from the campus garden (as well as other food in some cases), and internet access.

THE IMPACT

The Matanzas Evangelical Theological Seminary provides high-quality, diversified theological education to prepare young church leaders to meet the challenges of growth in existing local congregations as well as pursue new church developments throughout Cuba.

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of Matanzas Evangelical Theological Seminary. All gifts of any size are welcomed to help their programs and to help provide scholarships for students.
