PARTNER WITH US

We have been connecting Christians in the United States with church partners around the world for more than 40 years, helping to cultivate deep, long-term relationships. Through our global partners, we help train new leaders by providing scholarships in schools and seminaries in places like Egypt, Cuba, Pakistan, and Zambia. New churches are being planted and built in locations such as Mexico, Kenya, and Syria. Ministries of compassion support basic needs like food, water, and medicines for refugees from many places, including Ukraine, Iran, Syria, and South Sudan. Vulnerable children are given safe places to live and thrive through partners in areas such as Lebanon, Zimbabwe, and Pakistan.

Our team in Ukraine

We regularly take groups out into the world to see what God is doing and to build relationships between His people. Through these global encounters, we discover that we not only have gifts to share in God's mission; we also have even more to learn from our partners around the world.

THE IMPACT

Our ministry budget allows us to develop, nurture and evaluate mission partnerships; to receive, disburse and monitor the use of mission gifts; and to tell the story of how God is at work in the world through our partners. As a nimble and responsive ministry, we are able to work closely with donors and global partners to ensure that funds are handled properly, quickly, and transparently.

THE OPPORTUNITY

Every gift made through The Outreach Foundation, regardless of its size, strengthens participation in Christ-centered evangelistic missions.
