

Namumu Orphanage Center in Siavonga, Zambia

ABOUT OUR PARTNER

Namumu Orphanage Center, located in the Kariba lakeshore area in the district of Siavonga, Zambia, provides vulnerable children with food, clothing, shelter, and education to help them reach their potential. Some who have “graduated” from Namumu have trained as pastors, teachers, and clinical officers, and then returned to serve in their community. A clinic was built to provide essential primary health care services for the children and has recently been expanded to provide a full range of primary services to the community and local businesses. The Namumu Coordinator is also working to develop income-generating programs to make Namumu sustainable.
