

PCEA Church Construction *in Kenya*

ABOUT OUR PARTNER

The Presbyterian Church of East Africa (PCEA)

A new church building allows a congregation to grow and provide ministries to surrounding communities. The Outreach Foundation has come alongside the Presbyterian Church of East Africa (PCEA) to help them build churches in difficult areas. Once these churches are established, members do mission work in their communities like building schools and ministering to those in need. Coordinating this work is Outreach's East Africa Mission Consultant Stu Ross who works closely with PCEA leadership.

THE IMPACT

The Outreach Foundation, PCEA, and congregations are building churches, with Outreach and PCEA sharing resources with congregations who are already giving sacrificially.

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of PCEA Church Construction in Kenya. All gifts of any size are welcomed to help build PCEA churches.
