

Pakistan Partnership

ABOUT OUR PARTNERS

Pakistan is one country consisting of several “states” with distinctive food, language, and traditions. Of the 212.1 million people residing in Pakistan, approximately four million are Christians. 80% of Pakistanis live in rural areas where there are high levels of poverty and illiteracy, especially among the non-Muslim population.

Pakistan is number eight on the watch list of countries where Christians endure the greatest persecution. God is at work in many ways through various expressions of the church in Pakistan. Our intention is to provide congregations and donors with a clear understanding of the scope into which we sense the Holy Spirit calling The Outreach Foundation. This vision statement is born from over thirty years of engagement in Pakistan and especially our visit in Spring 2022.

THE IMPACT

We seek to bring Christ-infused, transformative hope to Pakistanis. In so doing we will support a broad movement that strengthens Christ’s church, builds Christian faith, and changes attitudes between faith communities in Pakistan. We wish to come alongside those who have neither voice nor opportunity were it not for partners in Pakistan focused on expressing Jesus’ love in courageous and creative ways.

With accountability stitched into the relationship, The Outreach Foundation trusts our partners, listed below, to use these resources for the building up of God’s kingdom on earth through the church:

- Forman Christian College (FCCU)
- Pakistan Bible Correspondence School (PBCS)
- Pakistan Christian Recording Ministries (PCRM)
- Presbyterian Education Board (PEB)

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of the Pakistan Partnership. All gifts of any size are welcomed to facilitate the sharing of the Good News in Pakistan while opening the Bible to those who have never had access to it before.
