

## **Presbyterian Education Board** *in Lahore, Pakistan*

### **ABOUT OUR PARTNER**

The Presbyterian Education Board (PEB) is a Christian non-profit organization. Founded more than 150 years ago, PEB provides quality education to both Christians and Muslims with a special focus on building Christ-like character. Both primary and secondary schools with over 5,700 students are a part of PEB, including some schools with dorms that are open to girls from remote areas who would otherwise have little access to education. PEB believes that if you educate a child, that education has the ability to shift the paradigm of the family.

### **THE IMPACT**

By teaching a holistic, academic, and single national curriculum, PEB believes it will have the ability to raise up strong Christian leaders in Pakistan to change the future of their country.

### **THE OPPORTUNITY**

The Outreach Foundation is seeking gifts to support the mission and ministry of the Presbyterian Education Board in Lahore, Pakistan. All gifts of any size are welcomed to help provide scholarships for students.
