

## **Presbyterian Ministry for Reconciliation and Healing in Rwanda**

### **ABOUT OUR PARTNER**

#### **The Presbyterian Church of Rwanda (EPR)**

Rwandan Presbyterians continue to bring reconciliation and healing to those involved in the Rwanda Genocide in 1994. Left behind were hundreds of thousands of orphans, widows, widowers, and people with disabilities. Through an initiative called the Light Group, Rev.

Jerome Bizimana, the Remera

Presbytery president and head of the ministry, is helping with the work of reconciliation and seeing God helping heal situations that you would normally think are unhealable.

### **THE IMPACT**

Because of the ministry of the Light Group, we hear and witness encouraging stories and testimonies of reconciliation, forgiveness, and healing after a nearly unthinkable atrocity.

### **THE OPPORTUNITY**

The Outreach Foundation is seeking gifts to support the mission of the Presbyterian Ministry for Reconciliation and Healing in Remera, Rwanda. All gifts of any size are welcomed to help provide training and counseling seminars.
