

## Presbytery of Zimbabwe Ministry for Children at Risk

### ABOUT OUR PARTNER

#### The United Presbyterian Church of Southern Africa

Formerly known as Lovemore Home, the Ministry for Children at Risk rescued many boys from the streets of Zimbabwe. Even though Lovemore Home as a residential home closed its doors at the end of 2014, the care for the boys continues by helping them with their schooling. The Outreach Foundation is raising funds to help the remaining boys complete their education. The social welfare department performs follow-ups with those in foster families and does background checks to ensure the children's safety.

### THE IMPACT

This ministry rescued boys from the streets of Zimbabwe and is assisting the remaining boys who need education help. This includes boys in boarding school as well as some pursuing technology and university degrees.

### THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission of the Presbytery of Zimbabwe Ministry for Children at Risk. All gifts of any size are welcomed to help equip these children with skills through education.
