

Sureste Presbyterian Theological Seminary *Tabasco, Mexico*

ABOUT OUR PARTNER

Synod of Tabasco

Sureste Presbyterian Theological Seminary is equipping the next generation of pastors and servant leaders for the Presbyterian church in southern Mexico where the church is growing rapidly. Most students are studying to complete a bachelor's degree in theology, many of whom benefit from partial scholarships provided by Outreach partners. In addition to training the next generation of pastors, Sureste is also the headquarters for Spanish language programming for Ministerio Reforma, a multi-media ministry that produces and airs Christian radio and TV content throughout Latin America. More than 600 radio stations carry two of the ministry's monthly programs for which Sureste professors regularly develop content. There has also been great progress made on the first phase of repairing fire damage to the men's dormitory building, through the generous donations of Outreach Foundation partners. Initial work has been completed, and repairs continue to replace ceiling and floor tiles and repaint all 15 rooms in this two-story building.

THE IMPACT

Sureste is deepening the faith and sharpening the ministry skills of men and women who are responding to a call to serve the church, especially in the states of Tabasco and Chiapas where the church is growing rapidly.

THE OPPORTUNITY

The Outreach Foundation is seeking gifts to support the mission and ministry of Sureste Presbyterian Theological Seminary. All gifts of any size are welcomed to help with operating costs and to help provide scholarships.
